REASON FOR ALLOWANCE

1. Claims 1-19 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant has amended claims and presented argument to show that the prior art of record fails to teach etching the first conductive layer according to the first pattern and the second conductive layer according to the second pattern in a single etching process by using a first resist layer that is deposited over a second conductive layer, patterned with a first pattern, developed and has portions of the first resist removed to expose a second conductive layer and by depositing a second resist layer over the remaining portions of the first resist layer and the exposed portions of the second conductive layer, patterning the second resist layer with a second pattern, developing the patterned second resist layer and stripping portions of the second resist layer according to the second pattern.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lynette T. Umez-Eronini whose telephone number is 703-306-9074. The examiner is normally unavailable on the First Friday.
